

MELISSA PEARD, CNM
Certified Nurse Midwife
Jefferson Health - Abington

Melissa Peard, CNM earned her Bachelor of Science degree in Nursing from Rutgers University College of Nursing in 2004. In 2009, she graduated from New York University College of Nursing with

her Master of Science degree in Midwifery. She later began her career as a midwife at the Midwifery Associates of Mount Sinai Beth Israel in 2009, serving as a partner in this full scope OB/GYN faculty associated practice delivering over 600 babies. Melissa then worked as a midwife at Jersey City Medical Center where she provided comprehensive OB/GYN care in the inpatient and outpatient setting. Most recently, she was a midwife at Planned Parenthood of Greater New York, providing GYN family planning services throughout the lifespan.

Melissa has been board certified in midwifery since 2009.

Melissa has presented at several national lectures. Most recently, she presented to the advanced practice clinicians of the Diane L. Max Center of Planned Parenthood of Greater New York City on pelvic inflammatory disease clinical diagnosis and follow up.
