

RICHARD E. FRIEDENHEIM, MD
Pulmonary and Critical Care Medicine
Medical Director, Sleep Disorders Center
Abington Pulmonary and Critical Care Associates

Richard E. Friedenheim, MD obtained his medical degree from the University of Pennsylvania School of Medicine in 1988. In 1993, Dr. Friedenheim completed the Physician Investigator Training Program at the University of Pittsburgh. He then completed a fellowship in 1995 at the University of Pittsburgh Medical Center. Dr.

Friedenheim is board certified in Pulmonary and Critical Care Medicine.

Dr. Friedenheim has conducted research on topics such as asthma and pulmonary embolism. He has also presented lectures on sleep disorders, bariatric surgery, lower respiratory tract infections, asthma, and pulmonary embolism at Abington Hospital to medical staff, physicians, patients and students.

Abington Pulmonary and Critical Care Associates has been in practice since 1979. Provided services include pulmonary medicine services, sleep medicine services, and critical care medicine services. Offices are located in two convenient locations - in Abington and Blue Bell.

Dr. Friedenheim is a proud member of Abington - Jefferson Health, a network of over 200 primary care and specialty physicians.
