

EMANUEL J. KOSTACOS, MD

Cardiologist
Co-Medical Director, Porter Institute for
Valvular Heart Disease
Division of Cardiology
Heart and Vascular Institute

Emanuel J. Kostacos, MD, is board certified in Internal Medicine and Cardiovascular Disease. He graduated from Amherst College magna cum laude in 1998. He completed medical school at Columbia University College of Physicians and Surgeons. He remained at Columbia Presbyterian

Hospital for his residency in internal medicine and completed his cardiology fellowship at the Hospital of the University of Pennsylvania. He completed his fellowship training at Hospital of the University of Pennsylvania in cardiology. He is trained in most aspects of noninvasive cardiology including: echocardiography, stress echocardiography, nuclear stress testing and transesophageal echocardiography. He has a special interest in valvular heart disease. Dr. Kostacos is currently the Co-Director for the Porter Institute for Valvular Heart Disease and a cardiologist at the Heart and Vascular Institute at Abington Hospital. He is involved with the training of Drexel cardiology fellows in the performance and interpretation of transesophageal echocardiograms.

The Heart and Vascular Institute at Abington Hospital is a full cardiac care institution with state-of-the-art equipment, technology, teaching and innovative programs that provide all aspects of cardiac care. With a comprehensive cardiac team and specialty trained cardiac surgeons, the Heart and Vascular Institute is one of the busiest in the Delaware Valley region.
