Emergency Medicine  
Abington Emergency Physician Associates

*Jennifer M. King, MD, completed her residency at the University of Virginia Health System practicing in emergency medicine.*

The Emergency Trauma Center is open 24 hours a day at Abington Memorial Hospital. Specialists who are board-certified in emergency medicine treat approximately 105,000 patients each year. Their expertise in treating major, life-threatening emergencies has been recognized by the Commonwealth of Pennsylvania in designating Abington Memorial Hospital as the only regional trauma center in Montgomery County. The Emergency Trauma Center is supported by the full diagnostic, medical and surgical expertise of the hospital. Located in the Toll and Lenfest Pavilions, the center has dedicated elevators to the operating suite, critical care units and the rooftop helipad. The Emergency Trauma Center is accessed directly from Old York Road in Abington.

The Emergency Department at Lansdale Hospital is open 24 hours a day and plays an essential role in caring for the urgent health needs of the North Penn area. The Department cares for more than 26,000 patients each year. A team of physicians, board certified in emergency medicine, work in cooperation with other in-house specialists to provide high quality patient care in a patient centered environment.
