

**SEAN M. SMULLEN, MD**

Otolaryngology (Ear, Nose & Throat)  
Otolaryngology Plastic Surgery Associates

*Sean M. Smullen, MD completed his internship and residency at the University of Pennsylvania in Philadelphia, Pennsylvania. Dr. Smullen continued his education with a fellowship under the guidance of Devinder S. Mangat, MD, member of the American*

*Association of Facial Plastic and Reconstructive Surgery. Dr. Smullen is board certified in Otolaryngology.*

Dr. Smullen has been practicing for about 20 years at Otolaryngology Plastic Surgery Associates in Lansdale, Pennsylvania.

**Personal Statement:**

*"I feel it is important to practice in a patient-centered manner so I address the patients' concerns and how that relates to any disease process they might have. It is my intention to treat patients as I would like to be treated.*

*Additionally, I enjoy being around people and helping them. I love the science and complexity of medicine and the challenge that each day can bring. It is never boring or routine."*
