## OSI OPEN HOUSE EVENT – FREE JOIN OUR MINI-REVOLUTION

Tour the new Orthopaedic & Spine Institute unit at Abington Memorial Hospital and learn more about our minimally invasive procedures for hips, knees and the spine. The day includes an interactive health fair with blood pressure screenings, falls risk assessments, health tips and information on nutrition, rehabilitation, bloodless medicine and more. Watch action-filled joint replacement and spine demonstrations, led by our orthopaedic surgeons and neurosurgeons. See the specialty equipment that is used in the operating room. Enjoy light refreshments, giveaways and raffle prizes. Free parking in the Ziplely Garage.
