

DAN J. GZESH, MD
Neurology
Chief, Neurology

Dan J. Gzesh, MD is fellowship trained in Cerebrovascular Disease from the Hospital of the University of Pennsylvania. He completed his residency in Neurology as chief resident and his internship in Internal Medicine from Thomas Jefferson University Hospital. He completed his medical education at Jefferson Medical College in 1985. He is board certified in Neurology and Vascular Neurology.

The Neurosciences Institute at Abington Hospital signifies the importance of-and expertise in-the diagnosis and treatment of neurological conditions. An evolution in services and the continuous growth in the depth of the physicians on the neurosciences team have put us at the forefront in the treatment of brain, spinal cord and peripheral nerve disorders.

Our growing Division of Neurology provides sub-specialty care for patients who have experienced a stroke or suffer from disorders of the nervous system including Multiple Sclerosis, balance and movement disorders such as Parkinson's disease, epilepsy, neuropathy, sleep disorders or chronic and severe migraine headaches.
