

SUSAN PAK-LEE, DO

Family Medicine

Feasterville Family Health Care Center
Abington Health Physicians

Susan Pak-Lee, DO graduated from Barnard College with a Bachelor of Science degree in Biology. In 1991, Dr. Pak-Lee completed her Doctorate of Osteopathy at Philadelphia College of Osteopathic Medicine. Continuing her professional training, she completed her family medicine

internship at Methodist Hospital in Brooklyn, New York and residency at Mountainside Hospital in Montclair, New Jersey. Dr. Pak-Lee is board certified in Family Medicine.

Dr. Pak-Lee's interests include preventive medicine, pediatric care from neonates to adolescents and women's health. She believes in a holistic and conservative approach to medicine and uses family as the center of patient care.

Dr. Pak-Lee has been on the medical staff at Abington Hospital since 2002. Dr. Pak-Lee is bilingual in English and Korean and currently practices Family Medicine in Feasterville.

Feasterville Family Health Care Center participates in Clinical Trial programs. If you or a loved one has a condition that has not benefited from standard medical treatment, you should know that there are options available through our clinical research studies. For more information about our trials, please contact our certified clinical research coordinator at 215-355-9770, extension 109.

Dr. Pak-Lee is a proud member of Abington Health Physicians, a network of over 200 primary care and specialty physicians.
