Abington Health Foundation receives thousands of contributions every year that honor or remember loved ones, friends, colleagues and caregivers. These contributions average more than $600,000 annually and are a critical source of revenue for Abington – Jefferson Health’s programs.

The names displayed here represent thoughtful individuals who chose to pay tribute to a special person who had an impact on their life. Abington Health Foundation is grateful for these meaningful gifts.

The following list represents Tribute Gifts of $25 or more made to Abington Health Foundation from July 1, 2015 through December 31, 2015.

All efforts have been made to report accurate information. If a name was overlooked or printed incorrectly, please accept our apologies. You are invited to contact us in the Foundation Office at 215-481-4438 to correct the error.
