

RUCHI KUKREJA, MD
Family Medicine

Primary Care Associates of Lansdale
Abington - Jefferson Health Physicians

Ruchi Kukreja, MD, earned a Bachelor of Medicine and Surgery (MBBS) at King George Medical College in 2002. In 2005 she completed her residency in Pharmacology and Therapeutics, King George Medical College. She worked in the pharmaceutical industry for 2 years. She completed a residency in Family Medicine at St. Francis Hospital, DE. She was the

chief resident in her final year which she completed in 2012. After residency, she worked as an assistant Professor in the Department of Family and Community Medicine at Temple University School of Medicine, Philadelphia for 5 years. At Temple University, she was involved in providing medical care to patients of all age groups along with teaching medical and dental students. Dr. Kukreja is board certified in Family Medicine.

Dr. Kukreja has experience in providing comprehensive medical care to patients of diverse age groups, including women's health and wellness exams. Her special interests include evidence-based preventive care and lifestyle medicine.

Primary Care Associates of Lansdale offers quality health care from a team of highly qualified clinical and support professionals. Commitment to patient safety is top priority, and we care for a variety of patients, ranging in age from newborn to the geriatric.

Dr. Kukreja is a proud member of Abington - Jefferson Health Physicians, a network of over 200 primary care and specialty physicians.
