

SIMONA OPRIS, MD

Internal Medicine
AH - Hospitalists
Abington Health Physicians

Simona Opris, MD earned a medical degree at the Luliu-Hatieganu University of Medicine & Pharmacy. She completed her internship and residency in Internal Medicine at Woodhull Medical and Mental Health Center. Dr. Simona Opris is board certified in Internal Medicine.

While in medical school, Dr. Opris volunteered at Camp Jened in New York, and assisted patients with special needs with activities of daily living. In 2006, she volunteered at Executive Health, PA, where she worked alongside a physician in an outpatient clinic taking patient history, performing physical exams, assisting with EKGs, Chest X-rays, stress testing, and pulmonary function tests. In 2009, she volunteered at Our Lady of Lourdes Medical Center, NJ, where she assisted and observed over various departments, such as pathology, hematology, histology, and microbiology.

Dr. Opris has presented and published research related to complications of prosthetic valve replacement therapy, muffled heart sounds, and cardiac tamponade as initial manifestation of severe hyperthyroidism.

Dr. Opris prides herself in being calm under pressure, being culturally aware, and is dedicated to excellence. She is skilled in the diagnosis and treatment of patients with various medical conditions such as but not limited to:

- Asthma
- COPD
- Hypertension
- Diabetes
- Stroke
- Heart Failure
- Renal Failure

She is a multilingual provider who is fluent in Russian and Spanish.

Dr. Opris is a proud member of Abington Health Physicians, a network of over 200 primary care and specialty physicians.
