ELIZABETH R. BURTON, MD

Gynecologic Oncology
Hanjani Institute for Gynecologic Oncology
Asplundh Cancer Pavilion

Elizabeth R. Burton, MD graduated from Bowdoin College in Brunswick, Maine with a Bachelor of Arts in Biochemistry. While attending Bowdoin College, she made the Dean's list for four consecutive years and was honored as a James Bowdoin Scholar. After completing her undergraduate degree, Dr.

Burton served in the Peace Corps, stationed in West Africa. After her service, she received her medical degree from Albany Medical College in Albany, New York where she co-founded a chapter of Physicians for Human Rights and was elected to serve on the Honor Committee. Dr. Burton completed her Obstetrics & Gynecology resident medical training at University of California at Irvine in Orange, California where she was awarded the Maternal Fetal Medicine Research Award and the Council on Resident Education in Obstetrics & Gynecology Award. Dr. Burton completed a gynecologic oncology fellowship at Albert Einstein College of Medicine in Bronx, New York where she focused on the FILIP1-L down-regulation in ovarian cancer. She is Board Certified in Obstetrics and Gynecology and Gynecologic Oncology.

She presented and published several manuscripts on treatments of gynecologic cancers and serves as an investigator for Gynecologic Oncology Group clinical trials at Abington Jefferson Health.

The Hanjani Institute for Gynecologic Oncology offers the expertise of a teaching and clinical research institution with the personal attention and accessibility of a community hospital. Dr. Burton joined Hanjani Institute for Gynecologic Oncology in 2012.
