

Abington Jefferson Health®

WAYNE H. PINOVER, DO
Radiation Oncology
Abington Radiation Oncology
Asplundh Cancer Pavilion

Wayne Pinover, DO, is a Radiation Oncologist. He is the director of Radiation Oncology for the Prostate Evaluation Program. His other areas of interest include head and neck cancers, gynecologic and gastrointestinal malignancies. Dr. Pinover is board certified in Internal Medicine and Radiology with a certification in Radiation Oncology and Therapeutic Radiology.

The Asplundh Cancer Pavilion provides the latest treatments and access to clinical trials, as well as support services to ensure that each patient receive the best possible care. Our medical oncologists, cancer surgeons, radiation oncologists, hematologists, pathologists and interventional radiologists are experienced in providing the highest quality diagnostics, treatment and ongoing care.

The Oncology Program has been evaluated and honored with accreditation by the Commission on Cancer of the American College of Surgeons. Such official recognition assures patients that our center meets the highest national standards for prevention, early detection, diagnosis and treatment.
