

MELISSA Q. LEE, MD
Internal Medicine
Abington General Internal Medicine
Abington Health Physicians

Melissa Lee, MD completed her Bachelor of Science in Biology and medical degree at Temple University. Dr. Lee completed her residency at Temple University in the Department of Internal Medicine. Dr. Lee is board certified in Internal Medicine.

Dr. Lee is most interested in preventive care when treating patients. She prides herself in providing a trusting partnership with her patients during his/her care. This includes, educating her patients about their health and involving them in the decision making process. Dr. Lee's goals are to help facilitate and motivate her patients to live a healthier and more fulfilling life.

Dr. Lee has been on the medical staff at Abington Jefferson Health since 2012. She is bilingual in Fujjian and English and currently practices Internal Medicine in Abington.

Dr. Lee is a proud member of Abington Health Physicians, a network of over 200 primary care and specialty physicians.
