

JEFFREY N. GORDON, MD

Urology
Urology Health Specialists, LLC

Jeffrey N. Gordon, MD completed his general surgery and urology residencies at Mount Sinai Medical Center in New York, New York. In 1993, Dr.

Gordon was appointed chief resident of urology at the Mount Sinai Medical Center. Dr. Gordon is Board Certified by the American Board of Urology.

Dr. Gordon's clinical interests include: urologic cancers, minimally invasive surgery, stone disease and bladder control problems. Dr. Gordon practices urology at Urology Health Specialists, LLC in Philadelphia and Doylestown, Pennsylvania.

Personal statement:

"Always remember to treat the patient with the utmost care and respect, as I would want to be treated, never forgetting that patients can often be overwhelmed, scared, anxious and frustrated that they are not feeling their very best. Providing quality care not only means being a good diagnostician and delivering effective treatment, but also being a compassionate listener and being available to those in need."
