

SCOTT H. HERBERT, MD

Chief, Radiation Oncology
Radiation Oncology
Abington Radiation Oncology
Asplundh Cancer Pavilion

Scott H. Herbert, MD, graduated magna cum laude at the University of Pennsylvania College of Arts and Sciences. Upon earning his Bachelor of Arts in Biology, Dr. Herbert moved to New York where he earned his medical degree at New York University School of

Medicine. Upon completion of his internship at Beth Israel Medical Center, Dr. Herbert returned to Philadelphia to complete his residency training in radiation oncology at the University of Pennsylvania Hospital. He has been with Abington Jefferson Health since 1992. Dr. Herbert is the Chief of the Division of Radiation Oncology at The Asplundh Cancer Pavilion.

Dr. Herbert has published numerous papers related to patient treatment with radiation, authored chapters on breast cancer, and presented at national and international meetings.

The Asplundh Cancer Pavilion provides the latest treatments and access to clinical trials, as well as support services to ensure that each patient receive the best possible care. Our medical oncologists, cancer surgeons, radiation oncologists, hematologists, pathologists and interventional radiologists are experienced in providing the highest quality diagnostics, treatment and ongoing care.

The Oncology Program has been evaluated and honored with accreditation by the Commission on Cancer of the American College of Surgeons. Such official recognition assures patients that our center meets the highest national standards for prevention, early detection, diagnosis and treatment.
