

## JOSEPH K. IZES, MD, FACS

Urology Division  
Abington Memorial Hospital

*Joseph K. Izes, MD is a board certified and fellowship trained urologist, specializing in the diagnosis and treatment of disorders of the urinary tract in both men and women. He was fellowship trained at the Lahey Clinic Foundation and Harvard Medical School in urologic*

*oncology and generally surgery respectively. Dr. Izes is director of urologic oncology for Abington's Prostate Evaluation Program, a referral center for the prompt clinical evaluation of patients with a prostate nodule or an elevated PSA in need of further evaluation. He became founder and medical director of Abington "Man to Man" prostate cancer support group in 1997.*

Urology is the surgical specialty that focuses on the urinary tracts of males and females, including the reproductive systems of males. It includes diseases of the kidneys, ureters, urinary bladder and urethra in both sexes and the prostate, testicles and surrounding structures in men. Urologists treat patients with the following conditions:

- Urinary Tract Infections
- Kidney Stones
- Bladder
- Prostate Cancer
- Testicular Cancer
- Male Infertility
- Involuntary Urine Loss
- Erectile Dysfunction
