

## **FRANCIS J. CLARK, MD**

Ophthalmology  
Ophthalmology Physicians & Surgeons

*Francis J. Clark, MD complete his internship at Mercy Catholic Medical Center in Darby, Pennsylvania. Continuing his graduate training, Dr. Clark completed his residency at Vanderbilt University Medical Center in Nashville, Tennessee. Dr. Clark is Board Certified in Ophthalmology.*

In addition to general ophthalmology, cataract and oculoplastic surgeries, Dr. Clark has a special interest in LASIK refractive surgery and he is on the Medical Advisory Board of Wills Eye Surgery Center of Bucks County. Dr. Clark has been active in refractive surgery since the early 1990's.

Dr. Clark has experienced the changes in refractive surgery and routinely performs cataract and LASIK surgery with the skills that long-term experience generates. He takes pride in his continuity of care for each patient before and after surgery.

Dr. Clark specializes in small incision, no-needle no-stitch cataract surgery, glaucoma management & laser surgery, LASIK refractive surgery, and Oculoplastics at Ophthalmology Physicians & Surgeons in Hatboro, Pennsylvania.
