

IRENE LESHINSKY, MS, DO

Internal Medicine
AH - Hospitalists
Abington Health Physicians

Irene Leshinsky, DO earned her Bachelors of Science degree in Biochemistry at Temple University. In 2003, she earned a Master of Science degree in Biomedical Chemistry at Thomas Jefferson University. In 2007, she became a Doctor of Osteopathic Medicine at Philadelphia College of Osteopathic

Medicine. She completed her residency in Internal Medicine at Lehigh Valley Hospital in 2010. Dr. Irene Leshinsky is board certified in Internal Medicine.

Dr. Leshinsky has an extensive background in research. She studied Cell and Tissue Engineering at Rothman Institute, Hematology at Thomas Jefferson University, and also functioned as a research assistant at Temple University's Department of Biology.

She has presented research topics such as undifferentiated leukemia, angiogenesis, transfusions medicine, and molecular signaling in human osteosarcoma cells. Dr. Leshinsky has published five peer reviewed, scholarly journals on various subtopics with regard to molecular cell biology and biological chemistry.

She is fluent in Russian, Ukrainian, and can speak basic Spanish.

Dr. Leshinsky is a proud member of Abington Health Physicians, a network of over 200 primary care and specialty physicians.
