

Abington Health Physicians

Dear Patient

Congratulations and thank you for choosing Abington obstetrical and gynecologic associates for your maternity care. On your initial visit to our office for this pregnancy, the receptionist will copy the insurance card you provide to us. It is very important for you to inform our office if there are any changes in your insurance coverage during your pregnancy. This includes: new insurance, a new plan, a change in insurance identification and/or group number, a change in insurance address or telephone number, a change in primary, co pays or change in the subscriber information. (card holder)

We urge you to contact your insurance carrier prior to your first appointment in order for you to understand your Maternity coverage .It is the responsibility of the PATIENT to know what physicians, hospitals, radiology, laboratories and facilities are in network with her current insurance coverage.

HOSPITAL: _____ X RAY FACILITIES _____

LAB FACILITY _____ PHARMACY ADDRESS AND PHONE _____

NAME OF INSURANCE _____ INSURANCE NUMBER _____

A member of our staff will also contact your carrier to verify your coverage and benefits. She will get authorization if needed. You will then be given an estimate of your responsibility.

We ask your cooperation in this matter to help make your birth experience a pleasurable one. We are looking forward to caring for you during your pregnancy and if you should have any questions regarding your insurance, please contact our Horsham office at 215-657-5430 and ask for the billing department.
