

STEPHEN C. MASS, MD

Otolaryngology (Ear, Nose & Throat)
Otolaryngology Plastic Surgery Associates

Stephen C. Mass, MD completed his ENT/Otolaryngology internship and residency at Northwestern University in Chicago, Illinois. Dr. Mass is Board Certified in Otolaryngology.

Dr. Mass practices at Otolaryngology Plastic Surgery Associates in Lansdale, Pennsylvania. He specializes in sinus surgery, allergic disease, hearing loss and head and neck cancers.

Personal Statement:

"I believe patient care should be customized to the individual needs of the patient. I try to treat the patient as I would expect to be treated.

In choosing medicine as a profession, I followed the example of my father, who practiced internal medicine. I saw how meaningful his job was, simply because it was so important."
