

NNAEMEKA G. CHIKWENDU, MD

Nephrology
Delaware Valley Nephrology and
Hypertension Associates

Nnaemeka G. Chikwendu, MD completed his initial traditional rotating internship at the University of Nigeria Teaching Hospital in Enugu, Nigeria. After completing his United States Medical License Examination, Dr. Chikwendu completed his internal medicine internship and residency at the New York Medical College, Metropolitan Hospital Center in New York, New York. Continuing his graduate training, in 2007, Dr. Chikwendu completed a fellowship in nephrology at the University of Rochester Medical Center in Rochester, New York. Dr. Chikwendu is Board Certified in Internal Medicine and Nephrology and is certified by the American Society of Interventional Nephrology.

Dr. Chikwendu completed subspecialty training at Emory University in Atlanta, Georgia in Interventional Nephrology. He has a particular interest in vascular access in chronic kidney disease.

Personal approach to patient care:

"Since kidney disease is a complex and poorly understood disease, I treat each patient with respect and compassion, engaging and informing my patients so we come up with personalized care plans."
