

**NATALIYA DEMENTOVYCH, MD**

Internal Medicine

Internal Medical Associates of Abington

Nataliya Dementovych received her medical degree from Ivano - Frankivsk State Medical Academy in 2002. In 2008, she joined Abington - Jefferson Health, completing her internship and residency in Internal Medicine. She continued at Abington - Jefferson Health, completing her fellowship in Geriatric Medicine in 2012. Dr. Dementovych is board certified in Internal

Medicine, Geriatric Medicine, Post-Acute and Long-Term Care Medicine.

Dr. Dementovych is skilled in treating a variety of patients. However, she has a special interest in caring for geriatric patients. She has researched and presented work on topics such as, but not limited to: the challenges of diagnosing, treating, and distinguishing between illnesses in elderly patients, dementia, delirium, older adults with disabilities and obstructive sleep apnea.

She has also published several peer reviewed articles such as: Angioplasty and Stent Placement for Complete Occlusion of the Vertebral Artery Secondary to Giant Cell Arteritis, and Intravascular Volume, not Blood Pressure, is the Important Issue in Acute Stroke.

Dr. Dementovych is fluent in Ukrainian and Russian.

Dr. Dementovych is a proud member of Abington Health Physicians, a network of over 200 primary care and specialty physicians.
